Mr. Michael Monette  
Move Solutions  
1473 Terre Colony Ct.  
Dallas, TX 75212

Dear Michael:

I want to let you know how important your help was in our recent merger with Candlelighters Childhood Cancer Foundation. As you know, the reasons for merging were compelling – we saw the opportunity to improve programs, expand services and most importantly, serve the needs of our clients in a much more efficient and effective manner.

Through consolidation of offices, we are saving over \$60,000 per year. Because of the generosity of Move Solutions, Ltd. and particularly the determination of Chuck Coffman, the costs of the actual move were eliminated. This could have been a significant barrier to our decision to merge. Thanks to you and your associates the move went smoothly and the transition was virtually seamless.

Many times, companies don't realize how important their "in-kind" donations are to non-profit organizations. Please extend thanks to everyone involved on behalf of Any Baby Can, Candlelighters and especially the families who we serve for making this dream a reality.
